This "Gold Club Achievement Award" winning business has developed through customer driven service since 1984. Reputation speaks for itself given this business has a customer base of more than half a million. This upholstery business of canvas tarps and boat covers has been successful in making, repairing and mounting tarps of all sizes and colors for vehicles, boats and outdoor furniture. Their business line of products has done work for some larger manufacturing companies, with some of their products going overseas. Development of an internet website would generate growth and expansion specifically relating to this business. The owner(s) will train new buyer thru the transition period. The strong history and excellent service provides a great base for a buyer to achieve success.
